※1 Cumulative distribution amount for 2021-06, 2021-09 and 2021-12.

※2 Regarding "Performances, etc." and "Major live concerts, etc." (except for some cases), JASRAC distributed the royalties for two periods (collected from April to June 2021 and collected from July to September 2021) only in the 2021-12 distribution because of shortening of the duration from payment to distribution of royalties.

※3 "BGM", "Video performance", "Remuneration for text books" and "Remuneration for private audio recordings" are blank, because the 2021-12 distribution was not the distribution period stipulated in our distribution rules although we distributed royalties which had been suspended due to undetermined rights information.

※4 Royalties of "Cable TV broadcasting (retransmission of terrestrial broadcasting)" for previous fiscal year are divided into four equal amounts and will be distributed in June, September, December and March respectively.
