\*1 Cumulative distribution amount for 2022-06, 2022-09 and 2022-12.

\*2 "BGM," "Video performance," "Remuneration for text books," and "Remuneration for private audio recordings" are blank. This is because the 2022-12 distribution was not the distribution period stipulated in our distribution rules; however, we distributed royalties that had been suspended due to undetermined rights information.

\*3 Royalties of "Cable TV broadcasting (retransmission of terrestrial broadcasting)" for the previous fiscal year are divided into four equal amounts and will be distributed in June, September, December and March, respectively.
